OFFICIALS

Officials are vital to the success of any open meet and with the new licensing regulations we will require more qualified licensed officials than before. We would therefore be grateful of any help you are able to offer and respectfully ask that you supply at least one official for each session where you have more than 5 swimmers attending that session. Refreshments will be available before the start of each session and lunch, plus a small token of appreciation, will be provided for those who are officiating all day. Please assume if you have registered below you will be required. We will email for confirmation you are attending about a week before the meet, along with your provisional role. Changes may be made to this on the day by the referee as required. Thank you for your help.

Please supply details below for officials who are available to help:

Name	Email address	Sessions available	Qualification	Licensed (yes/no)	ASA number

Please contact let us know about any mentoring requests and we will try to accommodate these.
