BOGNOR REGIS SWIMMING CLUB
(Established 1965)

Vanessa Knight Open Meet 2020 – 24th May 2020

Officials Reply Form

Officials are vital to the success of any open meet and with the new licensing regulations we will require help from qualified licensed officials J1T and above. We would therefore be grateful of any help you can offer and ask that you supply at least one official for each session where you have more than 5 swimmers attending that session. Refreshments are offered to all who officiate at our meets at the start and at breaks between sessions. Please assume if you have registered below you will be required. We will email for confirmation you are attending about a week before the meet, along with your provisional role. Changes may be made to this on the day by the referee as required. Please contact us about any mentoring requests and we will try to accommodate these.

Thank you for your help. Please supply details below for officials who are available to help:

Name	Email address	Sessions available	Qualification	Mentoring (yes/no)	I.D Number
